Note D2US04 You had to attend the mandatory Prebid meeting that has already occurred to be able to place a bid on this project. Source requests all bid documents be obtained through their channels only - Documents for this project will not appear in the Dodge Construction Central

Feature construction project at the Transmission and Distribution (T&D) building located at 2070 Tamarack Rd Owensboro, KY 42301. The project consists of a new TPO roof system, spray foam insulation in above soffit/exterior ceiling areas and new above ceiling mechanical units to be performed in accordance with the attached Project Technical Specification Document and Construction Drawings. OMU intends to continue work operations and occupy the building during the entire construction period, thus work will need to be appropriately scheduled to facilitate the safe continuation of normal work operations and occupancy during the entire construction period.
